Expert Customer Service

CHANGING THE WAY PEOPLE THINK ABOUT COMMERCIAL RECYCLING SERVICE.

As Colorado's **most reliable** used cooking oil recycling service, we deliver the highest quality customer service to more than 1,600 restaurants and commercial kitchens in the Rocky Mountains region. Locally owned and operated, so we are always there when you need us.

Cash Rebates for your Used Fryer Oil

Maximize the value of your used cooking oil through our **recycOil Customer Rebate Program**, providing you with the greatest economic value and quarterly checks for your waste cooking oil resource. It's the business savvy way to recycle.

A Variety of Clean Container Options

recycOil offers a variety of secure outdoor and indoor container options tailored to the individual needs of your restaurant. Clean. Reliable. Secure. Keeping your oil and your kitchen staff safe.

Environmental Compliance

Providing you maximum assurance and peace of mind, **recycOil** protects customers from avoidable safety, hazard, and legal liability by maintaining complete local, state, and federal regulatory compliance and insurance coverage.

100% Biodiesel Commitment

recycOil is committed to providing 100% of the oil we recycle for clean burning, domestically produced biodiesel. Sign up today and help keep Colorado's air and water clean.
